Dear Roy,

I want to thank you for your expertise and help with my Topanga Canyon project. Working with your team was enjoyable, and help us complete our vision for the project. You guys did an amazing job for our Client. I tell a lot of my friends how blown away I was when I saw you wipe the top of door to see if was painted. That kind of attention to detail is what made me and my team very comfortable with you. Your attention to detail is displayed throughout the project. Our Client is very happy and loves living in their home.

I look forward to working with you in the future.

With Warmest Regards,

Brian Biglin, AIA NCARB
